AMENDMENT

In response to the Office Action dated December 5, 2000 please amend the above-entitled  
application as follows:

IN THE CLAIMS

Rewrite Claims 109 (Amended), 126 (Amended), 163 (Amended) and 166 (Amended) as  
follows:

*Sub-I* 109. (Twice Amended) A method of controlling the field of view of any camera in a system  
*(H)* including at least one camera, an automatic control system for controlling the field of view of the at  
*cont* least one camera and at least two control devices being movable respectively by at least two users  
independently of the automatic control system and the at least one camera to a selected location  
capable of sending commands to the automatic control system for controlling the field of view of  
the at least one camera comprising the steps of:

A. associating each of at least two control devices with respective of at least two users at  
respective locations selected by the respective at least two users;
